AMENDMENT B WITH RCE

Dear Sirs:

This amendment is being filed in response to the Final Action mailed August 13, 2002.

A Request for Continued Examination (RCE) accompanies this amendment.

Please amend the application as follows:

IN THE CLAIMS:

Kindly cancel claims ~~21-38~~, without prejudice.

Please add new claims 39-52, reading as follows:

--39. An electroanalytical method for analyzing a sample fluid, comprising the steps of:

(a) providing said sample fluid to an electroanalytical cell equipped with a reference electrode, a plurality of working electrodes, and an auxiliary electrode;

(b) applying a series of voltage pulses of varying potential across said electrodes;

(c) measuring transient signal responses; and

(d) evaluating said transient signal responses by multivariate methods, said transient signals being parts of a response between equilibrium.
